

BANNER-2-BAG

CHOOSE SUSTAINABILITY!

Here's how it works:

- Start by choosing a fabric banner product decorated using **water-based dyes** on **recyclable cloth**...
- When your promotion has run its course, **do not discard the materials** as you normally would...
- Send the banners back to us and we will recycle them into **environmentally-friendly, reusable** shopping bags*
- You may use the bags as a further promotional tool for yourself, or release the rights for reuse to us

*PLEASE NOTE THAT LOGOS MAY NOT REMAIN INTACT IN REUSE LIFE

DYE SUBLIMATION GRAPHICS

Dye sublimation uses high heat and solid dyes to produce photo-lab-quality images on fabric. Colour is absorbed directly into the material, making it more durable and less vulnerable to fading than other prints.

Your source for **CUSTOM** dye sublimation.
